TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

A Bear Hunt The vast and little known recesses of Russia are a magnificent hunting ground. In the Ural mountains particularly good sport is found, the largest game being the brown bear. This animal is much sought after owing to the value of its fur, the flesh also making good food, while soup made from bears' paws is considered a great luxury.

(For Address Only.)

Processed in Bavaria.
